AMENDED PROCEDURAL ORDER RE: DISCOVERY

This order amends clerical errors in the original procedural order, which was issued January 30, 2008.

The following discovery schedule is hereby imposed:

By **February 29, 2008**, one month from the date of the original order, the parties will exchange initial disclosures.

By **June 30, 2008**, five months from the date of the original order, plaintiffs will serve any expert reports.

By **July 29, 2008**, six months from the date of the original order, defendant(s) will serve any expert reports.

Within eight months of the date of the original order, **September 29, 2008**, discovery shall be completed entirely.

The parties are to file any motions that would decide the case -- such as a motion for summary judgment -- by nine months from the date of the original order, **October 29, 2008**.

Furthermore, the case shall be set for a further status conference approximately six months from today's date. The Clerk will issue a separate Notice of the time and place of that conference. These deadlines may be extended if the parties file a motion showing good cause for the extension.

SO ORDERED.

Date: February 6, 2008
