No. 06CV11446-NG  
ORIGINAL DOCKET NO.  
Sony BMG vs. Joel Tenenbaum

Dear Judge Gertner:

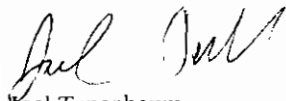

When I was last in Court in front of Your Honor on January 29, 2008, you had stated that you would be appointing a lawyer to help me. I have contacted the Court in the last few weeks, and been told that they do not yet have someone available to help me.

However, I was concerned about the letter that you requested from me that was originally due on February 5, 2008. When Your Honor stated that you were appointing a lawyer to help me, you then extended the due date of that letter to February 15, 2008.

On February 13, 2008, I wrote a letter to Your Honor asking for an extension of the due date of that letter as well as an extension in which to respond to other pleadings based on the fact that it was my understanding that a lawyer would be available to help me through these legal matters at this time.

Nevertheless, I am filing the letter that you requested at this time without the assistance of a lawyer because I was going out of town for a conference and didn't want to worry about this letter while I was gone at the conference. I would, however, still respectfully ask that the Court find a lawyer to help me out with whatever is next in these legal matters and/or with some assistance in negotiating a settlement, if that is possible.

Very truly yours,

Joel Tenenbaum
