AFFIDAVIT IN OPPOSITION TO  
MOTION TO COMPEL PRODUCTION/COPYING OF HOME COMPUTER

I, Judie Tenenbaum, upon information and belief, state the following:

1. I am the mother of Joel Tenenbaum, the Defendant in the above-named lawsuit.
2. The computer that Plaintiffs seek to have us produce is a computer that we purchased subsequent to our son living in our home.
3. Since we have acquired this computer, Joel has only been home for very short periods of time and on an infrequent basis.
4. When Joel has been home, he has only occasionally used our computer to check his e-mail.
5. When Joel has been home, the purpose of his visits have been for holiday visits, spending time with his family, friends, and dogs.
